

Instructions

Incoming Students

All students who matriculate at Allegheny College are required to complete the Health Status Report. Completion of this requirement is universal for each student entering Allegheny College as a freshman or transfer. This information is designed to safeguard the health and well-being of our student body. The Health Status Report is a 5-part document that includes the following forms:

- Consent Form / Face Sheet
- Report of Medical History
- Report of Physical Examination (must be within 12 months of your arrival)
- Immunization Report
- Tuberculosis Risk Assessment

Instructions for students:

Complete your portion of the Consent and Report of Medical History forms. Your health care provider is responsible for signing the Medical History, Physical Examination, Immunization, and TB Risk Assessment forms. Please schedule an appointment with your Primary Care Provider (PCP) at your earliest opportunity in order to complete your Health Status Form by the July 1 (for fall semester) or December 1 (for spring semester) deadline. Questions regarding completion of the Health Status Form can be directed to Winslow Health Center at (814) 332-4355.

Mailing Instructions:

Completed forms can be mailed to Winslow Health Center, 520 North Main Street, Box 26, Meadville, PA 16335, faxed to (814) 336-3050, or emailed to whc@allegheny.edu.
