Aflac isn’t health insurance.

Let us show you who we really are

Traditional insurance pays doctors and hospitals. Aflac pays you. That means you can use your benefits any way you like, whether it’s to pay leftover medical bills or any other expense you may have. They’re your benefits, so you can use them your way.

Isn’t it time to get to know Aflac? Allegheny College makes these insurance policies available:

**Accident**
Accidents happen. When a covered accident happens to you, our accident insurance policy pays you cash benefits to help with the unexpected medical and everyday expenses that begin to add up almost immediately.

**Aflac Plus Rider**
The Aflac Plus Rider pays a lump sum benefit amount along with additional benefits when you are diagnosed with a covered health event.

**Cancer/Specified-Disease**
Aflac’s cancer/specified-disease insurance policy can help you and your family better cope financially if a positive diagnosis of cancer ever occurs.

**Hospital Confinement Indemnity**
Hospital stays are expensive. An Aflac hospital confinement indemnity insurance policy can help ease the financial burden of hospital stays by providing cash benefits.
