Employee Self-Service (ESS) is a web-based portal that provides you with visibility to salary and benefit information contained within the Ellucian Colleague modules. The ability to view human resource
and payroll data provides an excellent opportunity for you to ensure that the information is correct and kept up to date. The data visible to you includes current and past earnings statements (pay check advice), current and past W-2’s, direct deposit information, leave balances, and more. Additionally, if you are a non-exempt employee, this is where you go to enter your time and where supervisors go to approve time for payment.

One of the major advantages of this system is that the data is real-time data. In other words, when you view your information, the system pulls the most current information directly from the HR/Payroll system. If any of the information that you view within ESS is incorrect or you encounter questions, please contact the HR or Payroll office immediately.
This is the explanation of icons that appear along the left-hand side once you are logged in. You will only see the icons authorized for your position.

Supervisor Time Approval

To access the time approval screen in ESS, click on “Time Approval”

In the Time Approval area of ESS, you will be able to view, approve, reject, make comments and update your employee’s time. There are multiple ways to do these functions. Any time you approve, reject, make a change, or unapprove a timecard, the system will send an email to your employee that you have done so. (Terminology Tip: “Reject” is used before you approve a timecard to send it back to the employee for changes. “Unapprove” is used after you have approved the timecard and realize that corrections are needed.)

A few general tips about time approval:

- If you are editing time, please note that supervisor screens do NOT save automatically, unlike employee time entry screens. You must “save” your changes as you go along.
- Be mindful of which week you are approving time for as more than one pay period may be open.

All of the employees that you are a time approver for will show up in one list.
Supervisors have the option to approve, reject, or add comments. You have several ways to do all of these. Here is where you do it from the main screen.

You can click on the dates next to the employee to view the timecard detail. It is highly recommended you do this before approving timecards. You can edit the employee’s timecard from here, as well as approve.
If you wish to add a comment, you must do it BEFORE you approve the timecard. If you forget, you will need to unapprove the timecard, make the comment and approve again. (Note: Your employee will get an e-mail when you unapprove the timecard, and again when you approve it.)

Another option is to click “Other Actions”; you can add comments and approve or reject from here.
If your employee forgets to add leave to their timecard, you can add it for them or reject the timecard, sending it back for them to edit. Click “+ Additional Time” to edit time.

After you click on “+ Additional Time” choose the description that matches the time you need to enter for the employee. Key in the hours on the date the leave was used.
After you add the additional time, if you need to remove it you can click on “Remove”.

Remove Holiday
Once you have approved the timecard, green “Approved” boxes will appear and you are done with the employee.

Set up a Timecard Proxy Approver

To access the employee proxy area in ESS, click on “Employee Proxy”.

Click “+ Add Time Approval Proxy”

Enter the name of the person you would like to approve your timecards and select their name from the list that pops up. Once selected click “Add Proxy”. The system is not date sensitive. Once you set up a proxy, it goes into effect immediately and stays on until you remove it.
When you are finished, it will look like this. Click the red circled X to remove a proxy.

**Time History for Supervisor**

Here you can view paid timecards for the people you supervise.

Enter in the name of the employee you would like to view and execute the search.
Once you have found the employee you are looking for, select the pay period and specific dates you wish to view. To change to a previous year, click the blue drop down arrow next to the current year at the top of the screen. Click the blue “>” to navigate between pay periods. Expand the time card by clicking the date range on the right side of the screen.
Logging Off

You should always log off of ESS by exiting using the “SIGN-OUT” link as shown below.
