INTST 600 Project Proposal

During the semester prior to the term in which students plan to undertake their senior project they are required to submit a formal Project Proposal. The following form should be used as a cover page and a guide for students in writing their INTST 600 proposal.

INTERNATIONAL STUDIES ABSTRACT OF SENIOR PROJECT PROPOSAL INTST 600

The INTST 600 process has FIVE deadlines.

1. By Friday of the third full week of classes, the student should complete and submit the cover sheet available on the INTST webpage under "Senior Project" with requisite signatures to the INTST Chairperson.
   - For fall of 2018, the due date is Friday, September 21.
   - For spring 2019, the due date is Friday, Feb. 8.

2. A hard copy of the proposal should be completed and submitted to the chairperson of the International Studies Program and the three board members by Friday of the sixth full week of classes.
   - For students enrolled in INTST 600 in fall 2018, the due date is Friday October 12.
   - For students enrolled in INTST 600 in spring 2019, the due date is Friday March 1.

3. Students should schedule a meeting with their three-member faculty board during the seventh or eighth week of classes.
   - For fall 2018, the date range for that meeting is October 15-26.
   - For spring 2019 the date range is March 4-15.

   The chief purpose of this meeting is for board members to provide feedback on the central question posed, advice on how to integrate the disciplines, and help in identifying appropriate sources.

4. One week after the conference is held, students should submit to their board and to the IS Chair a one-page summary of the conference, which includes a revised question and revised chapter outline.

5. Final proposals are due to Professor Reeck (INTST Chair, Ruter 204) and board members by Tuesday, November 20, 2018 for projects to be undertaken in spring 2019 and by Friday, April 12 for projects to be undertaken in fall 2019. Final proposals are typically 5-7 pages long, not including the bibliography.

This sheet should be attached as a cover page to the INTST 600 proposal. INTST faculty will not accept proposals without this sheet; proposals will be considered late until this form is completed. If the Project Director is from the Department of Modern and Classical Languages, the two additional readers must typically both come from the Social Sciences, each from a different department.

Name: _________________________________________________________________

Date: ____________________    Intended Date of Graduation: ____________________

Tentative Project title: _____________________________________________________

Signature of Project Director: ______________________________________________

Signature of Foreign Language Director:_______________________________________

Signature of Third Reader: _________________________________________________

Signature of Reference Librarian with whom student has consulted in regards to this project and date of consultation: ________________________________
